INSTRUCTIONS TO AUTHORS

I. As a rule contributing authors should be members of the Japan Society for Low Temperature Medicine. Papers contributed should be on the cryomedicine, cryopreservation of cells, tissues and organs, organ perfusion and cryosurgery. Be written in English, and should not have been previously published. Original article, review, case report, brief communication, and letter are accepted. They should be as concise as possible.

Authors whose native language is other than English are strongly recommended to have their manuscripts proofread prior to submission.

The basic structure of original article must consist of Introduction including Objective(s), Subject(s), Methods, Results, Discussion, and Conclusion.

All manuscripts should be sent to:

Japan Society for Low Temperature Medicine, in Dept. Cardiovascular Surgery, Toho University Sakura Medical Center, 564-1, Shimoshizu, Sakura-City, Chiba 263-8541, Japan. Fax:+81-43-462-7766, e-mail: cryomedjapan@gmail.com

All submitted manuscripts including the attached illustrations are reviewed by two or more referees.

The Editorial Committee reserves the right to select papers for publication. As a rule, the manuscripts will be published in order of receipt number. All rights reserved. No part of this publication may be reproduced or transmitted in any form or by any means, electronic or mechanical, including photocopy, recording, or any information storage and retrieval system, without permission in writing from the copyright owner.

The following rules shall be observed for contributors.
