

Errata

In the article by Uchino et al entitled "Prevalence of Exercise-induced Bronchoconstriction in Japanese Medical Students" (Volume 8, No. 1, pp. 1–8), 2 errors appear as follows.

- 1) Line 3–4 of Discussion should be: We found that 2.8% (6 of 217 students) had EIB; however, none of these students had...
- 2) Japanese characters appear in Figures 2-A and 2-B. The フロー should be flow (L/s) and 時間 should be time.
